“ *My Dearest Viki,*

In memory of your mother: The Lyrics to the ?Way you Look Tonight?

*Some day, when I'm awfully low,
When the world is cold, I will feel a glow just thinking of you...
And the way you look tonight.*

*Yes you're lovely, with your smile so warm
And your cheeks so soft,
There is nothing for me but to love you,
And the way you look tonight.*

*With each word your tenderness grows,
Tearing my fear apart...
And that laugh that wrinkles your nose,
It touches my foolish heart.*

*Lovely ... Never, ever change.
Keep that breathless charm.
Won't you please arrange it ?
'Cause I love you ... Just the way you look tonight.*

*Mm, Mm, Mm, Mm,
Just the way you look to-night.*
