“ I am so very sorry for your loss. My 13 year old daughter, Stephanie, did not know your daughter but she is friends with several of Kayla's friends. We have heard such wonderful things about your beautiful daughter. I am sorry that we did not get to know her ourselves. I pray that Jesus will hold you tight here on earth as he holds Kayla in heaven.

“ I did not know Kayla, I was actually just scrolling through fellow Mid-County soccer team websites to view other teams when I came across the MCSA Kryptonite's dedication to Kayla. I am on the Mid-County Pythons, and I did not know Kayla, nor do I know any of the other Kryptonite team members, I would just like to pay my respects where they are due. I am only 15, but I feel that if you show you care, others will too. God Bless Kayla's family and friends.
