“ Jim, Jan, Bryan, Chip, Kim, and Matt,

My deepest and most sincere condolences at this time of grief. I have loving memories of Keith and hold him close in my heart. Keith was my wonderful first love and he taught me a lot about romance and compassion. He was a gentle and sincere human being and it is a tragic loss to each of you. I hope that his daughter will be well cared for and always remember how much her father touched the lives of the people around him. May he rest in peace. God bless you!

“ To the Parker family,

I had the pleasure of working with Keith at PW Hospital for 2 years. He always had a smile on his face and was always willing to help you out. He was nice enough to help me install a storm door on the front of my home in his free time. His positive attitude was infectious, and he never had a bad thing to say. I am sorry for your loss, and he will truly be missed.

*Sincerely,
Chris Brophy*
