“ To the family of Keith Treichel.. I know of you only through my nephew Danny Gaver and his wife Joan. I met your son this past fall. He came to Mt. Airy to help Danny move his Mothers things back to Manassas. He was very polite and hardworking that day. I am so sorry to hear of his passing. It is always hurtful to realize that a young person just does not want to live on this earth. HOwever I do believe that he is now in the hands of God with only love and happiness surrounding him. As you find the days ahead of you hard... please keep in mind to remember the good and loving things about Keith. He is now at peace and I'm sure he wants that for his family also... My love to all of you... Norma Lee Dennis
