“ *Never really had the pleasure to get to know him. But I can tell from knowing his son, Dave, that he must have been a good man. My thoughts and prayers to the entire Ball family. But especially to my friend, his wife and kids, who I know will miss him very much.*

“ I was fortunate enough to meet Ken when I made a trip to visit my Dad in Manassas. He was such a charming, soft spoken fellow with a great dry wit. As I visited Pop more often Ken and I developed a running joke about my vehicle always looking like the Beverly Hillbillies were moving out, as I often was loaded down with too much stuff. He was a gentle, sweet spirited man who had a genuine way of gesturing his hello with a smile, a wave and a twinkle in his eye, as though enjoying some private joke. I will miss our visits and joking when I return next.

*My sympathy and prayers go out to his loved ones in their time of sorrow.*

“ So sorry to hear of your loss. Mr Ball was a fine fellow.....I remember he and Mrs. Ball invited my Mom after my Dad died to go with them to a Band Performance in Tuscaloosa..... was a very thoughtful gesture!! May God bless your time together with His presence and comfort your heart with peace!!

Ken & Lorrie have been my neighbors for over 40 years. Ken has been our early morning door-to door "paper delivery" person. My Washington Post was always in my door box when I arose; in exchange Ken would find the previous day's USA Today in my box for his reading. It worked out great! He also was the one to roll the close-by neighbors trash carts into their driveway after pickup. All-in-all a great neighbor and friend. He and Charlie shared many a joke and garden/auto/animal discussions. He was a wonderful,dedicated caregiver for Lorrie; I feel for her and her future. God bless her and the rest of his family. Rest in Peace, Ken.
