“ Kenn was a very special friend. I've known him since I was 5 years old, because we were the same age we were always in the same Sunday School class at Green Memorial Baptist Church. Kenn never missed a Sunday, walking down Plaza Rd. He had a beautiful singing voice. I remember when he and my sister Dege would sing together at church and just for fun. As we grew up we would all get together and have dinner parties and cook these huge special dinners. We shared some great memorable times at North Myrtle Beach; he was always a part of my family. As many of you know he was a remarkable artist! He loved to sketch famous people, Lucille Ball, Barbara Streisand and many more which he sold quite a few of. He will be most remembered, for his laughter and his kind heart he was a part of our family. Love you Kenn
