“ *God looked around his garden and found an empty place. And then he looked down upon the earth, and saw his beautiful face. He put his arms around him, and lifted him to rest. Gods garden must be beautiful, he always takes the best. He knew that he was suffering, he saw the road was getting rough, and the hills were hard to climb, shoe closed his weary eyelids, and whispered "peace be thine". It broke our hearts to lose him, but he didn't go alone, for part of us went with him, the day God called him home.*
