“ *To the Family of Ken Johnson:
Ken I worked together at CSC/CSRA for many years. Our last project was the renovation of our entire Business Unit which consist of three floors of painting, carpeting, and kitchens upgrades. It was a tremendous job. If it was not for Ken's hard work and dedication, I don't know how we would have gotten through it. He made the job run smoothly. Whenever I called him, he was always available to help and fix any problems that we had. He will be missed by so many. RIP!*

“ My condolences to the Johnson family. Ken and I shared office space for approximately 3 years. He was very committed to his profession and was dependable whenever needed. He and I eventually became good friends realizing that we had 2 things in common: fast cars and Popeye's Chicken. I know he is in God's hands now but I will miss him dearly. Peace my friend. “ *Although my husband Al and I haven't seen Kenny in nine years,
since we moved back to NJ, he was a big part of our lives while
living in VA. He was a great neighbor and always there to lend a
hand or have fun conversations with. When we reminice about VA,
Kenny is very much apart of those conversations. May you rest in
peace my friend....until we meet again!*
