“ *Barbie,  
I send my love, thoughts and prayers to you and the family. It was such a joy to care for your amazing and wonderful husband. I loved seeing how his face would light up when you would come in the room. I had a front row seat to see how much you both were in love with each other. Thank you for sharing your lives with me it was such and honor to be part of it. If you need anything please let me know.*
