“ *How do you leave a condolence? How do you say goodbye to the one person who always made it right? How do you accept the fact the only man who loved me without hurting me is gone? There are no words, nothing I could write to describe the way I feel right now. I still need you and I miss you so very much. You were my rock! How do I stand without you????*

“ I will miss you so much Dad! You were always there for your entire family! You were the best Husband and Father any family could ever have! I know you are in such a better place now with Mom and that gives me the peace to go on without you! Just two weeks ago you told me I will be with you forever Sugar and I know you are beside me now and forever be in my heart! I will miss you so much! I love you Dad!u
