“ I knew Kevin because he was easy to know at FHFA. A friendly smile and deliberate in his step, he always shined bright among his colleagues, of which, I am proud to say, I was one. He was among other great things, a man who exuded humility. You are all in my prayers. Prasant Sar

“ The loss of such a great person at such a young age is difficult to accept. He is a person I will always remember as a gentle and loving man with warm brown eyes and a delightful smile. “ Trish,

Kevin and I worked together over the years at FHFA. He was a professional in every aspect of what he did. I always looked forward to running into him in the hallway or outside, as we'd always have something to chat about - kids, work, trips, etc. My condolences to you, your girls and Kevin's extended family. His is a smiling face we will miss.

“ Trish,

This is just devastating news to us. We just can't express enough how sorry we are. Our thoughts are with you and the girls right now and pray for peace and comfort for all of you. Kevin was not only a friend but a wonderful person and absolute joy to be around.

He was my secret weapon for so many years when no one ever knew who he was until after he stepped on the pitch. Then everyone wanted to know his name. I was always able to get away with picking him in the draft in the later rounds because of it until they finally caught up to him.

Kevin, God bless you brother. Keep smiling that infectious smile. It was an absolute privilege to know you, play along side you and call you a friend. Love you buddy!

Trish, we are here for you guys. Please let us know if there is anything at all we can do.

God bless you and the girls!

Our Love-

Heart broken to lose one of the finest persons I have worked with at FHFA. We worked together on his very first project at FHFA. Skilled, smart, reliable and trustworthy. What a big loss. Loved his ready smile. Blessed to have known him. He will always be treasured and remembered in my heart.
