

Kevin Lee Frye

May 17, 1964 - March 23, 2017

Kevin Lee Frye, 52, beloved husband, father, and dear friend to all, died peacefully on March 23, 2017 at his home in Manassas, VA.

Kevin lived each day with a loving heart and a focus on helping others. He was known for his strong hugs, giving nature, ever-present smile, and sage advice. He loved fishing, nature, completing home projects and spending time with his wife Stacy, two sons Zachary and Tyler, and his extended family. He willingly served as the family photographer, mechanic, handyman, chef, pie maker and trusted confidant. No matter the size or complexity of a project, Kevin was always the man for the job.

Kevin was also a highly-respected Manassas City Senior Firefighter, serving 27 years as a leader, mentor, friend and brother to everyone in the department. His coworkers lovingly describe him as a compassionate, hard-working man, full of love and renowned for teaching and mentoring both new and experienced members of the department.

Kevin's spirit is a reminder to us all that not all super heroes wear capes. We will cherish his memory and aspire to live up to his compassionate example.

Kevin will be remembered at a memorial service on March 31, 2017 at Grace United Methodist Church in Manassas. The service will begin at 1:30pm. The

family asks that in lieu of flowers, donations be made to Grace United Methodist Church 9750 Wellington Road Manassas, VA 20110.

“ *To Kevin's family, I just want to send my most sincere sympathy in your loss of such a special young man. He was my next door neighbor for 25 plus years and I saw him evolve into this outstanding young man. His family was the best that immediate neighbors could be and I have so many fond memories. As an EMT/Firefighter, I would bump into him many times in Old Town or when he was shopping and we always shared big hugs and updates on how his mom, dad and sister Monica were doing. I would refer to him as another Buckhall Buckaroo! God bless and your wonderful family. There's a special place in Heaven for you! Susanne (Sue) Schmidt*

“ I first met Kevin and his family when me and my family moved into downtown "Buckhall" around 1976. He made more noise in our cul de sac with his beautiful 56 chevy, and shooting his black powder gun, but he was always respectful of us. As he grew up, and joined Company 16, Buckhall Volunteer Fire Department, along with his Father and I, and most of the rest of the neighborhood, he became a student of the fire service. We took many classes together, and were it not for him, I probably wouldn't have made it through EMT class. In return, I mentored him on the art of driving a fire truck like a mad man. Then he passed us all up, and became one of the best firefighters in the company. We came up through the ranks together, and eventually, I became Chief, and he moved on to become a firefighter/EMT with the city of Manassas. I was heartbroken when I learned of his illness. He was like a son to me. Like all the rest of his friends and co-workers, and most of all, his Family, I am so sad, and I will miss him very much, but, I will have comfort in knowing that he no longer suffers in pain, and I am absolutely sure that he is now in Heaven, looking down on us with a smile. Rest in peace my very dear friend, and god bless you and your family.

“ I met Kevin almost 30 years ago and don't remember ever seeing him without a smile on his face. I always admired his patience and willingness to put everyone else's needs before his own. No matter what the situation, Kevin always treated me like family and I will miss him very much! My thoughts and prayers are with Stacy, Zach and Tyler and the rest of the Lawhead family 🙏

“ He would often come by the local McDonald's where I was working for a cup of coffee. He always told me that I was one of the friendliest people he'd ever seen in the food industry. I'm so sad to hear that he lost his battle with cancer. My prayers and condolences are with his loved ones. May he rest in eternal peace.
