June 15, 1975 - April 9, 2026

With heavy hearts we announce the passing of Kimberly Rae Jarrell Park, 50, Manassas, Virginia passed away on April 9, 2026, surrounded in love with her family beside her at Prince William Hospital after a long and courageous battle with cancer. Kim is survived by her loving and devoted husband of 20 years, Pelham Park and daughter Kalynn Park of Manassas, her parents David and Vicki Jarrell of Pasadena, MD and sister Heather Jarrell Siemienkiewicz (Kenny) of Ellabell, GA and extended family.

Born on June 15, 1975, in Pyongtaek, South Korea. Kimmy, as she was affectionately known to those who loved her, attended Northeast Senior High School of Pasadena before graduating from Art Institute of Pittsburgh with her Associate degree in Business Management. Kim held different positions throughout her career but her most important role was as a mom to Kalynn where she was the best mom that anyone could have. Kimmy had a way about her that lit up any room with a way of making everyone she met feel special. She will be remembered for her loving, generous heart and her passionate nature. Kimmy had an adventurous side that usually involved random road trips. She always traveled to the beat of a different drum, that's what made her the beautiful soul everyone loved.

A celebration of life will be held; details will be provided at a later date by the family. For those that would like to honor Kimmy's memory the family ask that donations be made to a charity that was close to her heart, the Brotherhood-sistersol.org

“ *With love, we want to honor the beautiful bond we shared with our beloved sister-in-law, Kimberly Rae Jarrell Park.*

Kim was not only a devoted wife and mother — she was a deeply loved daughter-in-law, sister-in-law, and an incredible aunt. She played a meaningful and loving role in the lives of her niece and nephew, always showing up with warmth, encouragement, laughter, and support. She had a way of making family feel close, valued, and connected.

During her courageous fight with cancer, we stood together in prayer and hope, believing in miracles and doing everything we could to bring joy and strength into her days. We worked to fulfill goals, dreams, and promises we shared with her, hoping she could see the love, progress, and unity surrounding her. Those moments will always be treasured.

Kim’s love extended far beyond titles or roles — she embraced everyone who became part of her life and treated them like family. Her kindness, strength, and beautiful spirit touched us in ways that will live on forever.

We are forever grateful to have had her as our sister-in-law and as such a special presence in our children’s lives. Her love will continue to live in our hearts, in our family, and in the memories we will cherish always.

Forever loved. Forever missed. □ Alexes Park and the crew..

“ *Kimmy was one of the kindest, most gentle and pure souls that I’ve ever had the pleasure of meeting. She will be sorely missed by everyone that had the honor of having her in their life. I’ll never forget the big smile and laugh you always greeted me with. I find comfort in knowing that you have a seat in heaven. I hope to one day be greeted by your laughter and smile again.*
