“ My memories of Kirk are things I see every day on my property. We hired him to put a deck on our newly built home in 2011. And we kept finding things for him to do. Every where I look I see what Kirk, and Kenny, and Abel and Ty, did to make my new home beautiful. From the crepe myrtles, to the river birches, to the limestone path leading to the aforementioned deck, to the stepping stones, to our paver patio...it's all his work, and most of it was his vision.

Kirk, the birch trees you planted six years ago are nearly 30 feet tall now. They're beautiful, just like you promised me they would be when you planted them. You gave us so much in a couple of years, and it all remains. Thank you, and Kenny, for what you did for us.

“ You will be greatly missed, Kirk. Thank you for listening and talking to you several years ago when I was going through a rough patch. You and Sally were my savior.

May you rest in peace my dear and may your memories give some solace to those who love you. Yesim Ozel Dorrian

“ Growing up neighbors with the Parsons family I have many memories of good times and laughter of the entire family. My deepest condolences to all the family and his companion Vickey. Being a little older than Kenny (Ken), Kirk and Karen I saw them at play with other neighbor kids, kickball, flashlight tag, bikes, then dirt bikes and cars. My memories of Kirk are the strongest because he was always my brother's good friend, they could laugh for hours. I saw him often as a kid and heard the stories always...of being a teenager, road trips and his recent dream boat. Kirk and his siblings looked out for one another as kids and I've heard that hadn't changed. Kirk will be missed by all that knew him, but his memory will live on in us all. There is no doubt he will live on in the memory of the Deck family (Jeanne, Wayne and Ruth). Praying those that loved him find comfort in his wonderful memories.

“ My thoughts and prayers are with Kirks Family, Mr and Mrs Parson, Kenny, Karen and for his GF Vickey. Words can't describe how I feel and I am not sure what to even say.

I have known Kirk since we were little kids on Maxine ct, and within the last year we got back up with each other. I thank the Lord for that and I will forever have a friend in my heart. Sure am going to miss the almost daily phone calls and fun poking fun at each other. I became used to them and expecting them. It was like the years in between never existed, we just picked up from the last time. Not knowing until recently that we were both involved in boat racing and were at the same races but never saw each other. I am glad you got the new boat after all our searches for one and you enjoyed it. Cheers! Good buddy, going to miss ya man.
