

Kristen McKeehan Carroll

October 23, 1967 - September 3, 2020

Kristen McKeehan Carroll, age 52, passed away Thursday morning, September 3, 2020. Kristen was born October 23, 1967 at Fairfax Hospital born to Kenneth McKeehan and Betty Overbey where she was one of four children. She lived in Vienna, Virginia where her and her siblings, Mark, Toby & Kerri attended Bethlehem Baptist school.

Kristen was a lively, charismatic soul that loved her children and family deeply. She cherished vacations with her family and always brought the life to the party. She worked for years as an esthetician and make-up artist, where she found great joy in making others feel beautiful. Anyone that knew Kristen knew how great of a gift giver she was, as she was always thinking of others.

Kristen is survived by her six loving children Cole, Conner, Copeland, Caris, Carsen & Caylen. She loved her kids more than anything in the world and was always at her happiest when the whole family was together. Her faith in God is what guided her throughout her life. She will be missed deeply.

“ Both my wife Cindy and myself knew Kristen but from different areas of life.Cindy met her at work and quickly became friends with lots of joyous times. I knew her as she purchased lighting from me at a couple places. What was interesting was we didn't know we both knew her until a chance meeting at church when we all met together. Kristen was awesome and will be sorely missed.

“ *I just found out yesterday that our dear Kristen is with Jesus. I am flabbergasted. I can hardly remember not having her in my life since I met her brother Toby at LU in 1984. I was admiring her Instagram feed this week. I do know she loved her family and friends with her whole heart. She will be dearly missed by so many people. I am sorry I was unable to attend services. I will be praying for y'all. Love Martika (& Randy) Gartman*

“ *This was my last picture with Kristen at Bull Run Winery and the only reason we took it was she insisted on it to send to the kids as Connor and Copeland were besties with my 2 kids for years and we had done many trips together and she said please take this to send to the kids ! ❤️ I loved her and we talked 2 weeks prior to her passing to be with the Lord and she shared so much with me pain and suffering but after we talked she left me with her loving words of thankfulness and gratitude and I will always cherish that forever until we meet again my beautiful friend may you Rest In Peace ! I love you ❤️*

“ Oh sweet Kristen, I knew you as a little girl in Annandale/Knox rd. I babysat you and Kerri. You were so adorable and all you wanted to do was paint my nails and curl my hair, and put makeup on , even at a tiny age you cared and wanted to make people beautiful.

“ kristen,
i miss you so much. you were always so welcoming and always had open arms for me and my mama whenever we needed you. you were an amazing friend to my mom & i know i can speak for her when i say she loved you fiercely. you were her best friend and her rock and she and i both miss u dearly. you were a real life superhero and would stop at absolutely nothing to do anything for your children. you were a light and a breath of fresh air. the most amazing mother to all 6 of your beautiful children. you devoted your entire life to your kids and to our heavenly father. Kristen you were such a joy to be around, you really knew how to light up a room and you always had the most beautiful smile on your face, it was practically contagious. you had so many people that loved you SO much, i have never known someone who had so many close friends. people will remember your beauty, how kind you were, how loving and compassionate you were, and most importantly how much you loved your kids. thank you for giving me advice and being there for me. i will forever cherish the moments we've spent together and the memories we made. you have been reunited with your dad and your nephew in heaven & will forever be missed. i love you so much kristen, may u rest in peace ❤️

“ *I always admired Kristen rushing back and forth through the salon, looking flawless, with a positive energy that glowed around her. Once, she found out that I was unhappy with a treatment by a different stylist. I didn't want to embarrass that stylist, so I never complained. Kristen went out of her way to tell the owner so that the salon could correct it completely free of charge. She did it because she wanted me to feel beautiful and good about myself, which I believe to be her motivation for serving all of her clients. A small selfless act that I will never forget.*

“ We had lots of laughs, boy did we laugh. We had some tears of joy and of sorrow together as well. Who would have every imagined I would meet someone as full of life and love as you in such a quite space as a salon. But you brought it! We had a very special relationship, I felt like an older sister most of the time, you would always ask me about opportunities you wanted to explore and we would discuss our life challenges. Your family was your passion and you held them so close in your heart, that was always your favorite topic. Its so hard to believe you have left us so soon, you will truly be missed by many. We all should be at peace, as we know your faith in the Lord has taken you home.

Your friend always.

I miss you a ton of feathers. Your laugh and your sweet gentle way will stay with me for my lifetime. You loved your children, family and friends fiercely. Such a giving heart you had. Unforgettable times with you my friend. I will forever cherish our being pregnant together with our last babies! You will always hold a special place in my heart forever.
