“ *I didn't work with Kyle a lot, but off and on, and he always impressed me as a great, down to earth guy. He reminded me of the American Dream (and my dad, very much) ... He worked hard and smart, and was respectful to everyone, and thereby built a great career and beautiful family for himself. I miss Kyle, and people like him.*

“ *I worked with Kyle from 1972. Being in the same art unit at the PTO, he was one of my mentors and later became my supervisor. There is no better person than Kyle! I am extremely sad to see his passing. He will be missed.*
