“ *I am lost for words but first and foremost this man right here was such a awesome person friend and just as true as true could be told you how it was, and treated my kids as his own and always gave them the advice they needed and took his time out to come and support them in all they did after 22 years of friendship I have lost a true friend I could call on any time day or night he was there when a lot were not but you have gone on to better place with our lord and savior and now you are watching down over us daily. “ *Lamont you have been a special friend to my daughter Kasey and me! You always gave her tips about soccer. Kasey remembers you telling her "Play like you want this win. And always play hard in the goal. That's your field." You will truly be missed!! You are one of a kind!!*

*Heaven has an angel. I will be seeing you smiling down on us.
