“ Lana and I worked together at Columbus Hospital in Great Falls, Montana before she went into the Navy. We loved to go to Bob's Big Boy and have fried onions strips with Tab, our drink of choice. We cried together after her dermabrasion surgery, laughed later when I visited her in Corpus Christi at the Naval Station their. That was in 1978...so sorry to see she's past on. Prayers to the family. Sincere condolences.

“ I am so very sorry for such a great loss. Lana was a true loving, giving and beautiful person. My family will miss her tremendously as she was always with the boys playing and running after more toys, bringing treats or just plain loving them. She was a loving wife and mother and great friend. I am thankful for all the wonderful memories we will cherish of her and Sean, Trevor, Blake and Parker. our deepest sympathy is with you and we are here for you.
