“ I just found out about Larry's passing and though I had not talked to Larry in over 10 years I am deeply touched and saddened about this news. I knew Larry when he first got into real estate back in the late eighties as I was a new loan officer. He was one of the kindest nicest genuinely decent people I have met in my life. We worked together for 10 plus years thereafter. I had retired from mortgage banking but would periodically check to see if he was still in real estate. I just wanted to affirm to the family that others who know him thought he was a very special person and It was honor to know him. God bless!

“ My Heart goes out to the many Family members and friends for their loss.

Larry with his elaborate time and experience in the Real Estate Field and Appraisal Knowledge, helped me many times with questions I had. We, without fail, chatted more about his loving family/Grandchildren and Great Grandchildren much more. I know he will be missed but I am sure the memories that we have will live forever. Mary

“ Larry was my dear friend. We didnt see each other for a couple of years and then reconnected about six months ago. We picked up right where we left off. He always made me feel wonderful with his kinds words and complimentary nature. Never saw him without a smile and he never said an un-kind word about anyone. He was one of a kind. We loved to have lunch together. Im going to miss him greatly.
