“ I also had the pleasure and gift of working with Lauren at PWH. She was my night shift nursing supervisor and I worked closely with her as an ESD Unit Secretary. She was always my favorite and coming to work each night knowing she was going to be there too made the nights go so much better. Whenever we were in a bind or overboarded with patients, seeing her beautiful contagious smile come through those doors no matter how overwhelmed she already was she was ready to pull up her sleeves and pitch right in. When we would get caught up, there she went with that same beautiful smile.....and always left with a joke or something to chuckle about.

I haven't worked at PWH in years but I did have the surprise of running into her one more time a few years ago....in line at a roller coaster with her kids and she seemed to be having just as much fun as them...once again that beautiful smile.

We were able to catch up for a bit and then we said our goodbyes....but before we left she said...hey Donna....remember the time...and there was her last chuckle to me.

I will always remember you Lauren.....fly high sweet Angel....God knows you will be one of the best.

My thoughts and prayers are with her husband, mother and children....family as well.

And Lauren....if you see my Angel up there please tell her Momma loves and misses her so very much and listen to Lauren...she knows the ropes...no matter what the situation?

“ *Lauren and I were in a ladies' Bible study group together several years ago (from about 2003-2006). Her questions were always provocative, causing us all to think about God and our faith and what Jesus means to us. When she had questions or issues she was dealing with, she was always "real" and authentic. Never put on "Christian airs" that so many do. Such a sweet, sweet lady. And such a wonderful wife and mom!*

*My prayer is that George and their three children will experience the peace and comfort that can only come from God through Jesus Christ. This path will not be an easy one, but the Lord is indeed close to the brokenhearted.*

“ *My thoughts and sincere prayers go out to Lauren's husband, children and her many, many friends and coworkers. As a long time PWH nurse, I often found myself hoping that Lauren would be the supervisor on when I came in to work on call at the hospital. I knew then that I would have the best backup and a sense of humor to go along with it. Lauren was caring, competent, honest and funny. She could brighten anyone's day or night. Lauren affected for the better any and every person she met. What a gift! She will be missed so much, by so many.*

“ One of the first families I met in Virginia were the Buckreis.....Denise, Lynette and Lauren. We all worked together these past 25 years and came to love each other and support each other as well. When my father was gravely ill, Lauren was there to help with whatever he needed. We laughed (alot) together and sometimes cried. We held each others newborns and revelled in our childrens successes. Lauren always had a smile for everyone and a hug to match it. I will miss you every day my friend. Heaven gain is our loss. Lee Ann Brown

“ Praying for God's love to hold the Monroe family tight... I'm so sorry for your loss. I worked with Lauren for 5 years at Prince William and loved every bit of her. I will miss seeing her jokes and pictures on Facebook since that's how I've stayed connected since I moved 3 yrs ago. I could laugh for hours at her posts and conversations between friends... She was so funny. I will miss her..

“ To know Lauren was to love Lauren. My heart breaks for her family. Lauren could not enter a persons life and not change that persons life forever. We were blessed to have her here on earth with us for the time God allowed us to have her. My love and prayers to her family and friends. Lauren was the best daughter,wife,mother,sister,friend,and person. It is said only the good die young and Lauren sure was proof of that. You will be forever in my heart and forever missed.

“ I grew up with Lauren and her family in Manassas. She was one of my closest friends through middle school and some of high school. I have wonderful memories of her. This is how I remember Lauren, wearing her cool clothes and lighting earrings for school photos :) Always standing out above everyone else. My entire family sends our thoughts and prayers to her loved ones.

Hazel, I remember the three of us having sleep overs at Lauren's house and watching Friday Night Videos! Shaving the sides of our heads and listening to Boy George! Great memories. She will be missed. Krissy Jones (McCoy)
