“ *Mrs. Brady, I admire the way you loved your four sons. No matter how sick you were, you insisted they attend school. I know how proud you were that you got to see the oldest three earn a diploma. Please know that we will do everything we can to help Dylan complete his high school education. You remain a true inspiration to me and everyone who had the pleasure to know you. I will never forget how hard you fought to live and how much you loved your boys. I miss you! Sincerely, Kathy Bowden*

“ Hey beautiful...I know you're up there with Wendy, watching over all the kids now. I can only imagine the stuff ya'll will get into up in Heaven. Yes, when a bird poops on me I'll know it's you two. You did a good job momma, you have 4 wonderful boys and they will watch out for each other even when they're fighting cos that's what brothers do. You'll be missed, no doubt, I can picture you now with your hands on your hips lol, rest in peace love.
