“ My condolences to the Hunsberger family. Larry often said "hello" when I was out walking on Highland Farms Court, and always waved in greeting. So nice of him to help clear the court with his tractor after snow storms too.

“ So sorry to hear about Larry's passing. I worked with him for many years at Southern States in Manassas. Larry was a great employee, but more important he was a great friend. His sense of humor was unmatched. He was a great listener. We spent many hours together sharing memories and thoughts. He was friendly to all, no matter who or what they were.

“ *It's hard to find the right words to express condolences to a family following the lost of a family member. I worked with Larry many times over the years and he always kept me laughing. That is what I will remember. That and some of the crazy things he did while on the job. RSVP Brother Larry*

“ I knew Larry as a fellow firefighter with PWC , he was truly a pleasure to work with and really just to hang around with. Larry's sense of humor was forever present. The story of Larry and the half masted flag at Station 12 when Elvis died is a true treasure! Larry will be missed by many many people, we have lost a good guy. Deepest sympathies to the family.
