“ *It is with great sadness I discover that my very, very good friend Lee Wilson has passed away. He and I became very good friends starting in 1966 when I went to work with him at the Virginia Highway Department. I was just a youngster, but he was patient and helped train me so well.*

My thoughts go out to Ruth Ann. I know she misses him.

I am now 74 and showing more and more signs of aging. I retired from Shell in 2006 and have done contract inspection work for them, but now I'm truly retired. Sonja and I live near Houston, Texas, but far enough out to be sort of "out in the country".
