“ *Lee Friedman was a gentile soul with a giant intellect ...indeed he was a national treasure. Though his mortal life is at end, the light of his spirit will live on in his family and friends. May there always be an angel at your side... I know he will be.*

“*Mary Beth and Family - Lee was such a sweet, warm and funny man. He loved all of you so much, and was so proud of your entire family. He was a pleasure to work with, both 15 years ago when we were at EDS together and more recently while he was with LMI. A brilliant, funny man with great insights and a strong sense of camaraderie.*

I am also from the San Francisco area, and we loved to talk about your vacations there, and the wonderful times you all had on your visits.

I am sending you all prayers and wishes for comforting memories.

“*Nick, I only met your dad at your wedding but I will remember from that day as he was so proud and happy to see you joining Kim as your wife. Every time I looked his way he had a smile on his face and expressed how thankful he was to be joining Kim's family and to all those who came to celebrate you all. He left quite a legacy of children, across so many professions. Praying and lifting up your family.*

“ I always enjoyed the time I spent with Dr. Friedman, during his son Nick's med school graduation and at Nick's wedding. The love he had for his family was evident in every moment I spent with him, and I felt honored that he accepted me as Nick's "Big Sis" without knowing me personally. He was a wonderful person who will be missed greatly by all those who knew him. May his memory be a blessing.
