“ *Leila and I shared our love for our kitties. The comfort they brought us and their silly antics were a typical conversation between us. I worked with Leila and found her to be a very caring, intelligent individual. My condolences to her family. You have lost her far too soon! God bless you all, and Leila you are missed!*

*Best Regards,

“ *Leila was one very smart lady. I remember when she first came to Orbital, she was personable and extremely knowledgeable in her field. I've had the pleasure of working with Leila over the past six years and I will miss her a lot.*

Leila - may you rest in peace.

*Regards,
Sue*
