“ *Charlene & Family - You are in our thoughts and prayers at this very sad time. Billy was a truly good person who did much for a lot of people. Sorry we couldn't be with you at the viewing. We will see you tomorrow. As we sit here watching the storm, we are reminded of the storm and the flooding that occurred a few days before your wedding. We remember Billy saying the wedding was on no matter what. May your memories comfort you and time help heal your pain. Love to all - Harvey & Linda*

“ *I am so proud that I had the opportunity to work with Bill over the years at the Pentagon, who gave everything he had to make this a better and safer place for everyone. Above all Bill, thank you for your service to our country, as a U.S. Serviceman, government employee and mentor. Thanks for returning to work on 9/11/01 to help us secure and repair the building mechanical systems to keep the DOD on-line during very trying times. You will be missed greatly, prayers to the Heflin Family.*
