“ Leonard was always pleasant and socialized alot with people at Catom Merchant House. I had known he and his wife for a while. He even made some snowflakes for me that I was having the residents and staff make for the Sandy Hook school in Con. just this past year.

“ "Put" & I worked together for 17 years at Merchant's & remained friends throughout the many years since. He stepped into the gap at a very difficult time in my life & provided strength & wisdom when it was solely needed. He & Marquerite were without a doubt two of the kindest, lovingest & sweetest people I have had the good fortune to have in my life.

“ *Lerita and Janice: We just returned from out of town and saddened to learn about the passing of Mr. Putt. He and Margerite have always been such special people. Mr. Putt took me to the 100th celebration of civil war in Manassas. Their friends and family were always so important. They always talked about their children.*
