

Lester K. Newell

May 12, 1946 - December 23, 2021

Major Lester K. Newell, United States Marine Corps (Retired), 75, passed peacefully on December 23, 2021, at Fairfax Hospital in Fairfax, VA surrounded by family.

Les was born May 12, 1946, in Tyler, Minnesota to the late Kenneth and Vyonne (Nomeland) Newell. Les grew up on a working farm where he learned the values that he carried with him throughout life including work ethic, sacrifice, commitment and love of God.

Les enlisted in the United States Marine Corps in 1965 and retired in 1988. During his 23-year military career, he served two tours in Vietnam and was afforded the opportunity to obtain a degree from the University of Maryland in Computer Science. Les was awarded a Purple Heart in 1966. Les was a “Marine Mustang”, working his way through the enlisted ranks and becoming an officer in 1973. Following his military career, Les worked in leadership roles in the private sector as well as the public sector at TSA and NASA where he served as Headquarters Chief Information Officer. Les retired from NASA in December 2018. After retirement, Les purchased a business with his son, Brian, serving as the President of Pegasus Support Services, LLC.

Les lived a “life well lived”. He was loved by all that met him, people and animals alike. His favorite activities included long walks, time with his wife and

kids, and spending time with his beloved grandchildren. Les loved “lake life” at Lake Anna, VA where he spent much time with family and friends. Les also enjoyed spending time supporting veterans and speaking at veterans’ events around the country. Additionally, he was actively engaged in humanitarian efforts in South Vietnam. He supported Project RENEW Vietnam which is focused on restoring the environment and neutralizing the effects of the Vietnam War, with finding unexploded ordnance.

He is survived by his wife, Martha; three children, Brian, Brent (Kathy), and Leslie (Brandon); 8 grandchildren; and two brothers, Jeff (Joan) and Bill (Joyce) and many nieces and nephews.

A visitation will be held on Wednesday, January 5, 2022, from 6-8:00PM at Pierce Funeral Home (9609 Center St. Manassas, VA 20110). “ I met Les Newell at a gathering of Marines as a Celebration of the Marine Corps Birthday on November 10, 1993 in Washington D.C. I came to know Les to be one of the most honorable men I have known and a man who loved his family and his God with all his heart. He epitomized the Marine Moto "Semper Fidelis" (Always Faithful). It was the way he lived and never in question to anyone who knew him. He was a credit to his country, to the United States Marine Corps and to his family. His greeting to me every time we met was "Semper Fi Devil Dog" Well, today, rest in peace Devil Dog, you're home. You will be greatly missed.

“ When Les married Martha, he accepted us all as family. I marveled at the way he advised our sons when they were considering jobs in the area. He was one of us at our daughters home for parties and anywhere we gathered. He and Martha lovingly acknowledged Tom with placement of a brick at Quantico. I appreciated his honest and kind conversations. We just didn't have his guidance and sweet smiles long enough. We appreciate how the family has embraced Martha. He was her true hero, and ours as well.

“ A remembrance: I don't know if you have ever heard of the famous Les Newell Cowboy Gang of the 1950's. Sometime in early elementary after watching cowboy programs on television Les decided to organize his cowboy gang. At noon lunch break we would play cowboy. We were to bring our cap guns to school the next day. The principal put a quick stop to that and the gang never made it to Texas! He also was the poster boy for posture. I don't know how many times we heard "sit up straight like Lester".

Our condolences and we hope this story brings a smile - the Class of 1964.

*Les was my best friend for many years and he will be missed. I'm so grateful I called him last fall to thank him for helping me establish my career. He believed in me and always encouraged me to do the best and be the best that i could be.
