“ I worked w Lila at my first job w Dr Shapiro in 1989  
Years after I left we got together for Christmas I grew up got married  
had kids and unfortunately lost touch  
I never forgot how sweet and kind Lila was and how she spoke so  
highly of her daughter Leila  
I was watching a hallmark movie tonight and the woman send out  
Christmas cards to her list favorite people that influenced her life. I  
immediately thought of Lila. I was a teenager she was a kind  
guiding friend. I'm so sorry I did not keep in touch. I wish we had  
more time together. God bless you sweet lady

“ A little late but so sad to hear.

*Grandma, I've been thinking of you and was wondering how you  
were doing.  
Everyday the time would just slip by. You were thought of often and  
wish we could have had more time to share over the years. Life  
goes by way too fast and was way more complicated than I ever  
expected. I'm sure you're at peace now and happy with the live of  
your life. Sorry that I missed out on seeing you one last time.  
xoxoxo*

*Sending Love & Prayers,  
Heather*

“ Lila was one of the most beautiful souls I knew. I have done her hair for 12 years and have comforted her doing loss and troubles as she has done for me. We commiserated over life, loves lost and everything that was happening in our day to day life! She never forgot a birthday or a Christmas present and she put a lot of thought into her gifts. I always sent her thank you cards because I know how much she loved getting a card or letters. She will be surely missed for the beautiful person she was!💔💔

“ While driving back to Picatinny from Manassas with the Lubolds, I was riding and reading in the back seat with the Colonel. Mom 2 was following behind us,.As it was getting dark she was trying to keep her headlights shining though the rear window so I could see to read. How sweet was that? Love and miss you Mom 2!
