“ *Miss Lillian was a kind sweet loving woman. In 2007 I lost my voice above a whisper due to surgery. Miss Lillian was so concerned and helped me with shopping in Giant. We talked about faith health and grandchildren. We would share stories of our time in New Jersey. My son started taking me to shop and miss Lillian was happy to meet him. When I could no longer shop, Ms Lillian would always ask how I was and we would send our best wishes through him. She was my light in shopping. No matter how tired or sore she was there was always a smile and holding hand across the counter. I pray for her peace and gratitude that I was blessed to know her. I pray for her family comfort and peace. Rest well Miss Lillian.*

“ I was truly saddened to hear of the passing of Lillian. I met her years ago at the Deli in Giant. I truly believe the Lord sends people in our lives who bless us and Lillian was one of those special people. We shared laughter, joy, tears, and God's word. She loved her family and her grandchildren and we would always swap stories and pictures. I remember the day she told me she was getting married and I was so happy for her and the light in her eyes and that smile! I haven't seen her in awhile and thought maybe she retired. My deepest sympathy to her family. Rest in peace my special friend and God's perpetual light shine upon you always, I can hear the angels above shouting "Halleluiah Here Comes Lillian!!!" I'll see you on the other side.

*You lit up the room with your fun personality!
We really enjoyed you coming in the salon for
your hair care. Kartez took such good care of
you!! We are so saddened by this news!! We love you and I am so

“ *My dear Lil. It's so hard to believe you are gone. We have been
friends for over 15 years and have always had a wonderful time.
You use to call me your sister from another mother. I always felt that
way too. We enjoyed Vegas, Charlestown and Atlantic city. We also
enjoyed going out to eat, visiting wineries, shopping and just
hanging out. She loved her family and was always a true friend. She
will be always in my heart.*
