“ lone, you were one of the sweetest girls I knew at WL and I think Straford JH. It is sad and shocking to see your sweet and beautiful face, up against a memorial. I am very sad right now, I hope you had a happy life on earth, because as kind as you were to everyone, I can almost guarantee your life in Heaven will be paridise for you. You deserve it. You have earned your angel wings on earth. Thus, will fly well in heaven. Take care of your love ones on earth, they love and miss you, so. Love, for now, lone. I am so sorry, I am weeping a bit. I know you will do your best for God in Heaven. Thank you, for your kind friendship, all in your Jr HS and HS miss you, very much. Love, your friend Donna Scorzelli, Godspeed lone.
