“ In honor of Linda's memory, a contribution to The Alzheimer's Association is being made by Aunt Pam, Uncle Steve, DJ & Jeni.

I remember a funny story from long ago when your Mom was first dating Tommy. They were in high school at the time. Linda was at home in Bowie and busy coloring her hair. Well, she heard an ice cream truck jingling it's bells and decided to run out to the truck. Mind you, she was in the middle of changing her hair color when she ran out of the house. After she purchased the ice cream - it dawned on her she was still processing her hair and ran back inside to "stop the process"! Needless to say, your Mom was Very blonde that summer!

Linda had lots of stories just like this. Your Mom was one of a kind and she will be missed by many!

You are all in our prayers to ease your grief and allow the sweeter memories of your Mom creep in.
