“ *Smartest thing my old man ever did was to convince Linda to marry him. Either that or she lost a bet - the jury is still out. Simply put, Linda, I love you, I miss you, and I'll see you again soon! One great lady!!!*

Linda and always seem to be in each other's life. We were friends as girls, growing into our adult life. We laugh together and was each other's sounding board throughout our growing years. We trusted and loved each other's as friends in fun times and sad ti.es. It saddens me your gone and you will be .missed so very much by all who knew you as family and friend. I'll always reme.ber our special times in growing up. Funny, silly and happy times. Violet
