“ Linda worked with us at Universal Conversion Services Inc. for a couple of decades. Her sunny disposition and can do attitude made working with her a pleasure. We were not just colleagues we were friends. Linda extended her caring warm personality to many of the clients as well and formed long lasting relationships. A rare gift.

As for her relationship with her own family I never knew a more caring and loving mother and grandmother. There was no limit to her love and willingness to do all she could for them.

A so very kind and gentle soul who will be greatly missed. Sorry illness prevented me from attending the service.

Sincere condolences to her family and friends,

Don Houghton

“ Remembering Linda as my friend and Sister in Christ and all those special moments we shared in GOD's Word and lovely teachings at Loch Lomond Baptist Church. Knowing Linda was a privilege and blessing for our family. Her warmth and kindness filled the room no matter where she was. Remembering Linda and Dennis every Sunday and at any church gathering brings nothing but joy and happiness to my heart and soul for our families got to be so close. Remembering holding her warm hand while rejoicing in the most beautiful moments that anyone could share together. Remember saving seats in reserved pews for each other and our families; sometimes two or three, always sitting together. Remembering Linda and Dennis' warm and gracious smile and what a team they made.. Remembering the voices of both Linda and Dennis calling my Mother, "Mother", instead of her given name. They thought the world of our Mother. Remembering when they greeted my Mother with respect and dignity. We all bonded in a very special way and those times will never be forgotten and instilled in our hearts forever. Tell Dennis and Mother to save my seat and I shall greet you when the Lord prepares my place in the most beautiful place. My family and I love you very much for there is and always will be a very special place in our hearts. You are not forgotten. Until then, my sister and friend, Goodbye!.

My prayers are with your family. May God Bless and keep them.

“ Linda was one of the sweetest people I have ever met. Although I didn't know Dennis she spoke of him often when we were chatting about family. I am privileged to have known her. She was so proud of her girls and all of her grandchildren. I know she will watch over you all. Much love to all of her family. - Robyn Cabbage

“ I don't think I will ever come to terms with the fact you are gone. The only thing that is keeping me going is that I know you are finally happy again. I know you missed dad but I realized how much it changed you when I was trying to find a picture for this obituary. Pictures of your happiest times since he has been gone your smile is not the same. You lost the light in your eyes. I wanted to post a picture of a few years back because your face glowed but I knew you would be mad because you were heavier. Lol. I'm so glad you are in his arms. Thank you for watching over these babies. I know you are protecting them because they are handling this well. I will continue to live in your honor and take care of my sisters and family like I know you would want. You taught me how to be strong and how to provide for my family. You made me into who I am. I will love you forever. Can't wait to see you again one day.
