“ Linda, my big sister was very special to me. We weren't able to spend much time together since I was so far away from her being out west in the Air Force but when we were able to see each other we had quality times. She had a bubbly sense of humor and a cute laugh. We would arm wrestle when we were younger and she would always use two hands to try and beat me but she usually lost but she was happy to beat me once. She was a joy in my life, I will cherish the times we had and she will always be in my heart. I will miss you dearly and I will always love you forever.

“ Linda was always good friend. We would talk on the phone for hours. When I came to visit, Linda, my daughter Nichole, and I took the train in to DC and walked for hours. We laughed, talked, and even cried a few times. Linda will forever be in my heart and greatly missed.

“ Linda, your smile is so vibrant and your laugh is so contagious. I will always remember those. You definitely love antique shopping with the family. And one unforgettable time with you and Lee was our Zion National Park day trip and our time staying at your place, definitely, one for the books and that’s for us to reminisce. We love and we will you dearly. Millet, Brandon and Adrian
