“ Pete, Kathy and family~~~wonderful memories of an awesome person. I remember as a child going to Aunt Elsie's and playing with Betty, Linda and Melvin always such a highlight in my memory book. I remeber too, the good times when you Kathy were just a child and came to our house on vacation. Such precious times and awesome memories. Linda was a special cousin and I will always and forever miss her. My love and prayers to all of you. She is happy now and no more pain. I'm sure Uncle Melvin, Aunt Elsie and the entire Marcey family as well as the Huff's were there to greet her. Love you all~~Nancy

“ I cant put into words of what you meant to me in the little time we had together. I sit sometimes and think of our conversations and funny moments. I will always remember Ching Chong Chili. You fought a good fight but you were tired. I know you were a strong woman, a loving mother, and a good wife. You will always be in my heart and be apart of me until the day we meet again. This isnt good bye because whenever I need a talk I will look to the sky and smile and know you are there. My love goes out to the family.

“ *God how i miss you so much. I always told you that you were a great Mom I just hope you know how much you were loved. You always had my back in everything no matter if it was right or wrong. So many people thought the world of you. I hope that i can be half the person you were. I will give you a break for a while but be ready for me when its my turn to leave this world. All of your sickness is gone now no more having to suffer. You fought so hard for so long. I will always be proud to call you my Mom. I promise to take care of Daddy make sure you save him a spot. He misses you so much. This is not goodbye this is see you later. I LOVE YOU MOM..*
