DS

“ Cindy & Sharon - heartfelt condolences to you and your family. It has been a challenging couple of years for all of you. I'll always remember Gail as an Angel on Earth without wings and now, she has her wings. She has been set free. Gail's heart was always open to everyone and whatever she had, she lovingly shared with others. She knew no strangers. Everyone was a friend. She did not need material things in life. Her happiness was all about being with family and friends. Regardless of the challenges she faced in life she never let it steal her smile. She is the kind of person we all want to role model. Sending you BIG HUGS and lots of prayers. We are always here for you. Love, Donna Rich
