“ *Dan and Michelle,*

I'm still at a loss for words hearing about the passing of Sweet sweet Dale. She was the most caring, sincere person I have ever met. She taught me so much in the little time we knew each other. I miss her more than words can explain. Thank you both for making her last two years on earth some of the happiest years of her life. She loved you both so very much. Hearing her talk about you her voice just lit up. Stay strong. My prayers are for you both. My condolences go out to you and the family.

“ Dale, my friend my sister in Christ. Thank you for loving my children as your own and sharing your children with me. “Chocolate goes with milk”. Thank you for the cooking lessons, letting me vent and being my management mentor. We had good times in our gardens – our little piece of paradise right here on earth. I will miss your beautiful smile and I will kiss your boys for you. This is not goodbye just see you when I get home

“ *My thoughts and prayers are with the family and friends of Dale. She was a very important part of my life and the lives of my children.*

I will never forget the look on Dales face when Maryellen was born. She was so excited because she had never seen a baby born before. She is a part of my heart forever.

“Katie and Ed,

I am very sorry about your loss! Dale was the best mother anyone could have. Because of the love and impact she had on the people around her, I believe "she will live on" through both of you, because of her, you all are "two beautiful spirits", "with bright lights", and part of the reason you are "so bright" is because of her, and as a result, when you "shine", Dale is still shining and impacting everyone you two come in contact with. I have never met her, but because I have met you, I get a chance in a way to meet her beautiful disposition because you all beautifully reflect her.

Your loss is our loss, a part of us is very pained also. I just wanted to take the time out and say you all are in my deepest thoughts, and concerns. I will keep you in my prayers to God asking him to give you the strength to endure, and help me to do my part to keep your spirits up.

One bible account that gives me strength is Jesus words at John 11:25, right before Jesus resurrected his friend Lazarus, he made the following statement to Lazarus sister:

25 Jesus said to her: "I am the resurrection and the life.+ The one who exercises faith in me, even though he dies, will come to life;

I look forward to the time when not only I can be with my loved ones, but also your loved ones again!

Dale was my friend, my teacher and most importantly, my second mom. She taught me how to pray, forgive, and love! I will always love her to the moon and back!
