“ *My father and best friend and my rock,*

My hearts hurt's so much to have to say good bye . But I know the good Lord has better plans for you . You left memories that I can cherish and pass down to my grand children ..

Memories full of fun and laughter .Where ever you are you will always and forever be in my heart . I know you are my angel watching over me .I miss your laughter and your voice and taking rides with you in the boss. I cherished every moment I was with you .I thank god for giving you to me as my father I was so proud to be your daughter, When I see this picture of you I can remember this saying " Here's looking at you kid" I love you to the moon and back daddy R.I.P.
