“ I’m sorry to be reading this. I’ve known this family for about 40 years or more. Lois was such a caring and loving woman. She was kind and gentle. She would give you the shirt off her back and or the last dollar she had to help you. She was always good to me over the years. Her family is full of good people most of which I’ve met and some I became very close too. My heart goes out too all of her family. My prayers for all of her family. This woman will truly be missed. She was one of a kind. She was the kind of person you’d want in your corner. I feel so blessed to have met Lois and her family. I’m grateful to have very fond memories of her. She was loved by not just her family but people she met over the years. She was just that kind of person. She will not be forgotten.

Dear Von and Carol

There are no words I can say that will take away the pain and heartache y’all are going through at this moment. Just know I love you guys and my prayers are with you. We are really never prepared for this. All though our loved ones aren’t suffering anymore it’s still hard knowing we won’t see them everyday till our time comes. Everyone handles death in their own way there is no wrong way.
