“ We all loved Lois. We always called her "CRAZY". So when I would see her or talk to her on the phone we would say "hey crazy" and she would just crack up. She loved to laugh and we loved to laugh with her. I'll never forget all the pick and grin sessions with Mom and Joe and Lois. We were truly blessed to have known her. We will miss her deeply and look forward to seeing her again in Heaven.

“ We miss her so much. We didn't get to say goodbye. She was a good friend, sister, mother to us. She was whatever we needed at the time. I know she is happy now. She is with her loving husband George and her Mother and Daddy. I know she will be waiting for us to come and join her.
