“ *Our last time together was July 4th picnic. Lois and I made 3 sheet cakes for the party. Oh we had such fun and laughter that day. Her smile was infectious and her humor always apparent. I met her in June of 1967 when she was only 8 years old and grew to love her more each time we were together. She's up there in heaven, with Mama and her other brothers and sisters. With deepest sympathy to all the Key family, Love, Sam*
