“ *What a special person your mother was. I have such wonderful childhood memories of hanging on the fence and to ask her if I could come over. Your father and mother were great friends to my mom and dad. I still hear her laughter and her sweet smile. I can remember the nights that we all would get together to cook french fries outside in the dark and have so much fun. I thank God that I got to know her and she is now in a very special place.*
