“ Lois Steele was in a SS class that I taught for a number of years and she was the most reposable person I had ever met. When we were discussing a difficult passage from the Bible, she would volunteer the most revealing answer that would solve the difficult passage. She was a truly beautiful lady and one that I will never forget. I know that I will not get a Christmas card from her this coming year but that is what life is all about. Lois will go down in my mind as a very beautiful person with a beautiful personality. Take care.,AL Newman

“ *Lois was a class act and a true steel magnolia. Manassas Park would not be the same place without her guiding spirit and commitment to the community. My heart breaks for her family, especially the apples of her eye, her beloved grandchildren!* ”

“ I had the distinct honor and privilege of knowing Lois for over 25 years. During those years we spent times going to Williamsburg for the Virginia School Board Conferences. She would go and represent the Clerk of the School Board and do it with such dignity. We also shared a room together during that time and I really got to know Lois and cherished those moments. What a lot of people did not know was that she loved driving the School Board Crown Victoria that had a lot of speed as they were police cars we got on the open state bid! So I would sit in the passenger side and this petite woman would drive the Crown Vic and giggle when she hit the gas. I treasure that memory. I have so many other memories, but suffice it to say that we knew and loved each other very much. I will miss her smile, her infectious giggle, her brightness in what could be an otherwise dark time. I love you Lois. Now you and Bill can spend eternity together. Give Kylene a kiss from us. Love, Jim and Vonnie

Got the best advice from Aunt Lois as a teenager....wash your face every night and get that make-up offput some Olay creme on your face every day and stay out of the sun! I still think of her almost every day while I'm doing the face routine. It was so much fun to be with her.
