“ *He saw the Holy city, his everlasting home.
A band of Holy angels all gathered round God's throne.
They bore Him on their pinions safe o'er the dashing foam,
"And he shouted loud HOSANNA! Deliverance has come!"*

This is what Fuzzy sang about and what he experienced when he saw the Holy City. Not only did a band of angels meet him, not only his momma and dad, and not only an infinite amount of friends, but Christ himself who made Himself lower than the angels, welcomed Fuzzy home.

I can only imagine, as I did with Roger, the beauty, peace, and transformation that they experienced. Knowing they are in the presence of God brings peace. Let the songs of worship continue and SHOUT HOSANNA! DELIVERANCE HAS COME!

Much love to the Salyers family!
