“ Dear Ken and Dinah -- I was so sorry to hear of your loss. My thoughts and prayers are with you and my heart as well. You have each other to lean on and you are both two of the strongest people I know. I would be with you on Thursday, however I have to pick up Stuart's father at National as he has been in Florida for a month after he came down with pneumonia. He was in ICU and has been in rehab down there but is now on the mend. Just know I'll be thinking about you and hold a warm place in my heart for you both. Much affection -- Anne
