

Loretta Kathleen Quinn

August 20, 1983 - October 21, 2022

Loretta Kathleen Quinn, also known as Lori Quinn, passed away suddenly and unexpected at her Manassas, VA home on October 16, 2022.

She leaves behind her Mother, Marion Lee Davidson and Step-Father, Thomas E. Davidson of Winchester, VA.

Lori was someone with a huge heart and alot of compassion who was always willing to go the extra mile for her family and friends. She loved animals as it showed with her own personal fur babies, Leo and Bella. She enjoyed cooking and music and watching movies of all kinds.

Lori was employed by an IT company in Leesburg, VA and enjoyed her work and loved the people she worked with on a daily basis.

Our hearts will always remain empty without our only daughter. I cannot imagine an earth without having her here.

Rest in peace my dearest angel. You will always be loved and truly missed.

“ This will be the hardest Christmas I will ever have. Not having you to enjoy the holiday and you being our XMAS KNOME will not be the same. I do not feel like celebrating this year. I still cannot bring myself to admit you are gone. I am broken. Love, Mom

“ It has only been a month and a half since loosing you but it does not get easier for me. Having you gone so suddenly has left a huge hole in my life and my heart. I cannot grasp at what happened or why!!! The holidays are here and it is not worth celebrating without you. Each day that passes I keep asking myself why this happened. Love, Mom

“ Thank you all for posting such beautiful tributes to my lovely daughter, Lori. She had alot of good friends and people who cared about her. Her life was cut so very short at only 39 years of age. My only child and best friend. My heart is shattered and I honestly do not know how I am going to get through the hardest thing that has ever happened to me. Love, Marion (Lori's Mom).

I think you might be the friend Lori told me about that had her over for breakfast sometimes. She talked highly of you and thought of you as a good friend.

“Lori was such a shining light in so many lives. I will miss our FaceTime calls and hanging out. She could always make me laugh. She was taken too soon but I know she is watching over us. We lost a beautiful woman but heaven gained an amazing angel.
