“ *Loretta is truly a delight. I and my family will truly miss her. My mother and father both met Loretta as she carefully and in her "Loretta style" explained their pending medical procedures. She had a special way of bringing smiles and joy to all those she met. I will miss her.*

“ Tammy, I don't know if you remember me, but I always remember your Mom having a beautiful smile on her face. I miss those days when we played BBALL against you guys (MPHS) but no matter what happened, you and she always made Jessica and I smile. My prayers are with you and your family during your time of loss, but rest assured, she has successfully made her journey home! My deepest sympathy...
