“ My dearest old friend, my heart is grieving. It has been so many years yet, you are still the "song bird" in my heart. Memories of the "good old times" were so alive today so I stopped and went to find you; only to find that you are gone. My thoughts and prayers are with your beautiful family, Gary, and your loving children. Even though so many miles came between us over these many years, you were always in my heart and will be forever. ~Jan Y.
