We were privileged to have known Pastor and Mrs. Horton. We were invited to visit their church by uncle Earl and Aunt Dorothy Maness. My husband George heard a message entitled “the ninety nine and one” and was saved that Sunday in March. I was saved later in August. We are so glad that he preached the gospel. They will surely be missed.

What a beautiful journey they shared through life. Now together for all eternity in the presence of God. They both were such wonderful people, and set the most loving example of what a marriage with success represents. You both were loved so much and will be missed by everyone who's lives you have touched. Dance with the Angels.
